Dear [redacted] FOIAb6

This is in reply to your letter of 13 June 1947 indicating your interest in a job with our organization.

I would like very much to talk to you, but do not think it desirable for you to make a special trip to Washington until after our plans for the next fiscal year are more definite. It is not likely that we will have any available vacancies prior to August, and I would suggest that you drop me a line then if you are still interested in making a change.

Yours sincerely,
